	Dennis Hill, P.M. rk Schedule	Dinner at 6:30 pm From the East					
	July 2019						
July 2 July 9	Stated Meeting Lodge Development	Greetings Brethren, I'm excited to get started on this new Masonic year. Moving into the East, I must confess I am humbled by the responsibility and want to thank the brethren of Hill City Lodge for their trust and faith in myself as well as my officers.					
July 16 July 23 July 30	Committees for Degree Work and Open House Masonic Education Food Committee FC Practice	I promise to do the job from the bottom of my heart. That is the only promise I can honestly make because the vitality of our lodge is an expression of what all of you bring to it. No Worshipful Master with a successful year accomplishes it purely					
	ugust 2019	through his individual effort. Instead, I realize a successful lodge leader must listen to the brethren and understand how to					
August 6	Stated Meeting	bring them together for good work.					
August 13	Masonic Education	I firmly believe that Masonry should continue for all time in the institutions of men. For that to happen, lodges such as Hill City must continue to grow and keep bringing together brothers to					
August 20	Community Service Committee	improve themselves in Masonry. Masonry surely has some role to play for younger generations					
August 27	Degree Practice Food Committee	who will follow us. In the landscape today, there are millions of things competing for our attention, but our lodge offers something few can: genuine fellowship and a forum to belong in					
Sep	otember 2019	something bigger than ourselves.					
September 3 September 10	Stated Meeting Masonic Education	A great desire for that exists out there in our community; all we need to do is attract the notice of good men and then present them with these opportunities.					

From the East (continued)	From the West			
To that end, my focus this year how to make our lodge and Masonry attractive for a future generation of brothers. There is no friendlier lodge than Hill City in this district, and we have a vast reserve of Masonic wisdom in our ranks. One theme we will explore this year is lodge development. I'd like us to have a conversation about how we make Hill City even better. There are many things we can improve, such as our grounds and facility, our equipment, and our outreach. There will be more to come on these topics in the future. Another area I consider essential is degree work. Our lodge is always at its best when we work together to bring up new brothers, and I anticipate us having a good number of degrees to confer. I want us to deliver the best degrees in the district, so we should work hard to master them and hopefully excel in a graded degree. I would like to improve the training and process for officers of the lodge. Currently, there is very little documentation or	From the West Brethren, Another Masonic year at Hill City is on the books and a new year is upon us. Officer installation was held on June 25th for the new Masonic year and it looks like it is going to be a good one. Our new Worshipful Master is already making plans to ramp up our community involvement and Masonic education, stay tuned for more info in the future. It was an impressive installation ceremony led by P.M. Kervin Warnken serving as installing officer and PM Larry Miller as installing Marshal. Many Brothers and their families were in attendance and enjoyed a dinner of roasted pork loin and all the sides. After the installation everyone retired to the fellowship hall for cake and refreshments. The July stated meeting was very productive			
<ul> <li>training before assuming a new office. As a result, officers have to learn their duties on the fly (and become good at performing a role just in time to move up the line). If officers have better support getting started on their duties, it allows them to focus on making the lodge better.</li> <li>Finally, I call on the brethren of Hill City to come together outside the lodge and work on community service. When we do this, it strengthens us as a fellowship and shows the world Masons working together to improve their community. This can be a great way to attract like-minded men to our brotherhood. I hope we can do four community service events this year, and make it a continuing tradition for the lodge.</li> </ul>	and the first one with our new line of officers. Petitions were read and committees were assigned for two new prospective members. The lodge also voted to help sponsor a team for the 2019 Hill Country Rally for the Kids taking place on August 2- 3. Our very own PM Robert Eschenburg will be representing Hill City Lodge with his world famous barbecue at this International Barbecue Cookers Association (IBCA) sanctioned event. The public is welcome so it would be great to have lots of Hill City Brothers come down to show their support			
The only way we can accomplish good works like this is through the involvement and leadership of the members of the lodge. You don't need to serve as an officer to help make Hill City better: we need regular Masons to step up and create content and plan events to make these goals a reality. If there's anything you'd like to contribute, I can be reached by email at wm@hillcitylodge.org (or come see me on a Tuesday). I hope you will all join me and add your efforts to what our lodge is. I look forward to seeing you all at stating meetings, and for the great content we'll have every week. Fraternally, Aaron Evans Worshipful Master, Hill City 456	<ul> <li>and enjoy some outstanding food and fellowship.</li> <li>The Worshipful Master has a lot on the calendar over the next couple of months, everything from Masonic education and discussions to degree practice. With so much going on it is a great time to come on down to Hill City and enjoy some delicious food and Masonry, where there's always a hot meal on the table and a welcome mat at the door!</li> <li>Fraternally, Luke Michels, Senior Warden, Hill City 456</li> </ul>

### Obituary

#### **Edward Andrew Carr**

Brother Edward Andrew (Andy) Carr passed away on July 4th, one day before his 72nd birthday, surrounded by friends and family. Born in Springfield, Missouri, Andy is survived by his brother, Harry Carr, and sisters, Dr. Jane Ann Carr and Judy Vanderbilt, and the love of his life, Architecture. Andy moved to Austin in 1970 to attend the University of Texas School of Architecture. Upon graduation, he worked for The Ogelsby Group in Dallas. Andy returned to Austin in 1982 when he was commissioned to design a residence on Lake Austin. The iconic English Tudor home on Taylor Slough is still admired by boaters, decades later. "Copp & Carr" continued to collaborate, design and build homes that have withstood the test of time and bring joy to their residents. Andy's architectural contributions extend beyond residences to include office buildings and medical clinics. As an artist known for his drawing skill and fastidious attention to detail, his designs provide thoughtful proportions and comfortable living spaces. Happiest when designing and drawing into the wee hours, Andy will be fondly remembered for his keen intellect, irreverent sense of humor, and most importantly, his kindness to all. Please honor his memory with a round of golf and a cold beer!

Brother Edward Andrew Carr was a proud member of Texas Masonry for more than 25 years. Brother Carr was initiated as an Entered Apprentice on June 11, 1991, Passed to the Degree of Fellow Craft on November 10, 1992, and Raised to the Sublime Degree of a Master Mason on July 20, 1993 at Hill City Lodge No. 456 A.F. & A. M. in Austin Texas.

And so it has come to pass, a Brother Master Mason having completed all the design's laid down on the Trestleboard of Life, has answered the summons of the Grand Warden of Heaven and Earth and has entered into the Grand Lodge over which the Supreme Grand Master of the Universe presides.

#### Brethren,

The Grand Lodge of England was established in 1717. Obviously there were lodges before we had a Grand Lodge. There is some evidence that these lodges go back a long time before the Grand Lodge was established.

From the South

The oldest Masonic records are in Scotland and date back to the year 1599.

In 1118 a French knight established a military order and named it the Poor Knights of the Temple of Solomon, later known as the Knights Templar. They set up their headquarters on the sacred Temple Mound. The purpose was to protect Christian visitors to the holy city of Jerusalem. They took vows of poverty, chastity, and obedience. They grew to a large and rich organization. In 1128 Pope Honorius II recognized this new order of warrior monks as an army in the service of God. They were given special status and protection by the Pope. They were not subject to the laws of the lands in which they lived, but only subject to the Pope. In France they owned a lot of property and other financial assets. The king of France became deeply indebted to the Knights Templar - a debt that he did not wish to repay. In order to not pay, he accused the Knights Templar of heresy. Fifty four members were burned at the stake and many others arrested and tortured. The pope was convinced to support the king of France and in 1312 ordered the arrest of all Templars and their assets seized. The Templars had large sailing ships wish they had used for trade. These ships disappeared overnight. The Pope's order was implemented in all countries except never in Scotland and was delayed for months in England.

If you were kicked out of France and had a ship where would you go? I think to England or Scotland. Templars had three degrees of members - the knights themselves, administrators who were not warriors and workman to maintain their estates. They wore sheepskin underwear and took vows.

Are we related? I don't know.

Fraternally, Richard Garrett, Junior Warden, Hill City 456 HILL CITY LODGE No. 456, A.F. & A.M. P.O. BOX 1456 AUSTIN, TEXAS 78767-1456

## Food Committee Meeting is on Tuesday, July 23rd at 6 pm.

The business at the food committee meeting is to set the menu for the coming stated meeting. Then, on the afternoon of the stated meeting, your presence is earnestly solicited. Help cook if willing and able, or just sit in the kitchen and keep the Stewards company – it gives our future Masters the opportunity to get to know you.
