Work Schedule	From the East
December 2019	<p>Greetings Brethren,</p> <p>Hill City Lodge has a short month in front of it, with only three meetings scheduled. Many of us will be traveling during the last two weeks of the year, and I hope everyone has safe journeys during that time.</p> <p>We should be aware of Masons and their widows who do not have families with whom to spend time during this season. If you know anyone who would appreciate companionship, you should remember to visit them.</p> <p>---</p> <p>I'm happy that Hill City brethren will be participating as volunteers for the "Blue Santa's Workshop" this December. During the event, we'll be working in their warehouse, helping collect and coordinate Christmas presents for disadvantaged families.</p> <p>Sometimes all of us feel like we don't get enough from the world. It's important to remember that we truly are blessed, although others among us are much less so.</p> <p>I'm also excited to participate in more community service events because they seem to be resonating with both younger and older members of the lodge. During these events, we're having fun together outside of meetings while strengthening a vital pillar of our fraternity.</p>
<p>December 3 Stated Meeting</p>	
<p>December 10 Past Masters' Dinner Family Night</p>	
<p>December 17 Degree Practice Food Committee</p>	
<p>December 24 Christmas Eve Lodge Dark</p>	
<p>December 31 New Year's Eve Lodge Dark</p>

<p>January 7 Stated Meeting</p>	
<p>January 14 Degree Practice</p>	
<p>January 21 Hiram Scene Panel Food Committee</p>	
<p>January 28 EA Degree</p>	
February 2020	
<p>February 4 Stated Meeting</p>	
<p>February 11 Sweetheart's Dinner</p>	

## From the East (continued)

When someone asks what it is masons do, one answer is "good work within the community." But the very fact that people have to ask should tell you that we can do a better job promoting ourselves. By participating in these events, we can interact directly with other good people in the community. Through this, we can reach good men who should be candidates for our fraternity while not proselytizing to them.

---

I'm excited to inform the brethren that on Tuesday, January 21st of next year, Hill City will be hosting a panel discussion on the "Hiram Scene" from the third degree of Masonry. During that discussion, informed brethren from the area will share their interpretations about the meaning of the last degree of Masonry. There are a lot of respected Masons lined up for this event, and I'm sure you'll leave that night stimulated in your thinking and understanding of the craft.

If you know master masons from other lodges who seek education and enjoy philosophy through Masonry, please make sure to invite them to visit us that night. Note that only master masons will be allowed to participate.

---

Half of my year in the east is almost complete, and I wanted to say thank you to the officers and members of the lodge. So many of you work hard to make Hill City outstanding, and I'm proud to be part of the organization you work so hard on. I'm excited to see what else we can do during the second half of the year. I hope to see you then.

Fraternally,  
Aaron Evans  
Worshipful Master, Hill City 456

## From the West

Brethren,

With the holiday season in full swing, the Brothers of the lodge have been busy with numerous events. The engagement level at Hill City has been getting better every day and we are seeing excellent turnouts for our lodge activities. If you have not been to the lodge in a while, I encourage you to stop by and visit, even if it is for a short time, we would love to have you!

We had an eventful November with several items worth mentioning. On 11/19, Hill City put on another excellent FC degree for one of our newer Brothers. I am also anticipating some more degrees in the near future. Hill City has a strong degree team and takes pride in their work, we are always looking for new faces and more participation. Please contact myself or any officer of the lodge if you wish to participate in degree work. It is an excellent way to refresh your zeal for Masonry and get back to being active in the Lodge.

We had several Brothers participate in this year's HEB Feast of Sharing on November 26th. It was great to see so many Hill City Brothers there representing the Lodge and giving back to the community.

I would like to invite everyone out for the Past Master's Christmas Dinner coming up on December 10th. Bring your family to enjoy a special Holiday feast prepared by the Past Masters of Hill City, it will be a joyous evening of food, family, and Masonry.

The Christmas Season is truly a time to remember and to be grateful for the blessings we all share. May we always hold and maintain this spirit, in all our undertakings. Be mindful of our gift of family and friends, give thanks for our freedom and faith. To all our Brethren and their families, Merry Christmas and Happy New Year!

Fraternally,  
Luke Michels,  
Senior Warden, Hill City 456

## Obituary

### Leroy Eugene Steadman, Jr.

Leroy Eugene Steadman, Jr. passed away peacefully on October 3, 2019 at 88 years of age. Leroy (nick named "Roy Gene" by his mom) was born in Taylor, Texas on September 4, 1931. He is survived by his devoted wife of 68 years, Patricia Rae Barnes and their children: Mark Leroy Steadman & daughter-in-law Suzanne Holman Steadman; Kim Steadman Teich & son-in law Gary Teich. Leroy was blessed with 6 grandchildren: Clinton Bushn, Jennifer Gould (husband Austin Gould), San Marie Dyer (husband Justin Dyer), Kristen Cox (husband Lance Cox), Brandon Steadman, and Melissa Steadman Hart, plus 9 great grandchildren. As the patriarch of our family, he created an amazing legacy, exemplifying sacrificial, unconditional love, and will be dearly missed.

A lifelong Austinite, Leroy graduated from Austin High School, briefly attended Blinn Junior College and The University of Texas before becoming a lineman for Southwestern Bell Telephone. Shortly after marrying Patricia on August 30, 1951, he began his career in the Austin Fire Department and progressed quickly from hose man to become the youngest Captain in the history of the department. In 1980, he earned two associate degrees, one from Blinn and one from Austin Community College. He ultimately became Division Chief (in charge of all on-duty AFD firemen city-wide on his shift), retiring in 1988 with 36 years of service.

Leroy was an excellent athlete and loved playing sports of all kinds including volleyball, tennis, golf, racquetball, water & snow skiing, and bowling. He especially loved spending time at the lake with friends & family and always owned a ski boat. When Mark & Kim were in high school, he was a well-known and beloved figure at football and dance team practices, always with a huge jug of sweet lemon iced tea in his hand. Grandpa's tea was also a favorite of his grandkids, so he had to refill his jug quite often!

After retiring from the fire department, Leroy went to work part-time for UT Recreational Sports until finally retiring for good in 1995. Leroy was a life-long supporter of The University of Texas at Austin and a season ticket holder for football, basketball, volleyball, and baseball games.

Brother Steadman was initiated as an Entered Apprentice on March 17, 1953, Passed to the Degree of Fellow Craft on March 8, 1960, and Raised to the Sublime Degree of a Master Mason on April 26, 1960 at Hill City Lodge No. 456 A.F. & A. M. in Austin, Texas. He received his 50 year service award on August 26, 2009 by the Grand Lodge of Texas at Hill City Lodge No. 456.

And so it has come to pass, a Brother Master Mason having completed all the design's laid down on the Trestleboard of Life, has answered the summons of the Grand Warden of Heaven and Earth and has entered into the Grand Lodge over which the Supreme Grand Master of the Universe presides.

## From the South

Hello my brothers. The distinctive badge of a Freemason is a white lambskin apron. We were given our apron when we were a candidate and instructed to wear it with honor. It is the badge of a mason.

History and mythology have recorded other badges of honor.

The Order of the Golden Fleece was founded in 1429 by Philip the Duke of Burgundy. It was based on an ancient Greek mythological story of Jason and the Argonauts. The golden fleece was the skin of a holy winged ram. The story involves kings, dragons, gold and adventure. Two branches of the order still exist in Spain and Austria. About five years ago I saw the medal in Vienna. I believe the medal for this order was last awarded in 2016.

The Roman Eagle was a prominent symbol used in ancient Rome. Each Roman legion carried a standard with the Roman Eagle on it. Three Legions lost their standards at the Battle of Teutoburg Forest. They spent decades trying to recover the standards.

The Order of the Star was an order of chivalry founded in 1351 by John II of France. It was awarded to knights who proved successful on the battlefield and not to those knights who were successful in tournaments. Recipients received a monthly stipend and were provided housing in retirement. They were sworn not to retreat more than 6 acres breath in battle. This cost the life of 90 knights in 1352.

The Order of the Garter was founded in 1349. It consisted of King Edward III and 25 knights. It promoted reverence and service to God and the pursuit of knowledge, self-reliance, and devotion to hard work.

Each time we put on our aprons, let us think of the oaths we have taken

The business at the food committee meeting is to set the menu for the coming stated meeting. Then, on the afternoon of the stated meeting, your presence is earnestly solicited. Help cook if willing and able, or just sit in the kitchen and keep the Stewards company – it gives our future Masters the opportunity to get to know you.
