Grand lodge is coming up quickly so if you have not booked your room or registered to attend, please do so asap. This year grand lodge is January 19 <sup>th</sup> -22 <sup>nd</sup> . If you would like any information on the proposals, please contact either our secretary or myself. I am hoping to see a good number of you participating in this years grand lodge! Bob Wheeless asked me the other day if we could set some time aside on a called meeting to go over some of the parts of the monitor that are rarely used or taught. I think this is a great idea since we should be knowledgeable about everything in our craft. I know there are a ton of things in the monitor that I have never even heard of or that I could know more about. If you would like to participate in this review, please let me know and we can set up a time in February, after all of the degrees that we need to do are done. I want to thank everyone who turned out to volunteer these past couple months. I not only really enjoyed my time giving back to the community. The more we are out in our community and making it a better place, the more we are seen as an organization which gives back. There is nothing better to me than that. Lastly, I would like to congratulate Junior Pastmaster, Richard Garrett for receiving the Vanguard award for the 2021-2022 year he was in the East. I am proud of him and also proud of the lodge for stepping up to qualify for it and I hope we can do the same for this year. Like always, if you have any suggestions on how we can make this lodge run more smoothly or better, please let me know. Fraternally, Elan Mendoza Worshipful Master, Hill City 456	<ul> <li>Hello Brethren All,</li> <li>The hospitals are full of Covid-19, the Flu and RSV. Please take care of yourselves and your family during the holidays. I have had Colitis, Diverticulitis and the flu, so I have only been to Lodge three times in the past two months. I will give you the best report that I can given my absence.</li> <li>On November 8th we had a wonderful meal of pasta and cream sauce served by our Stewards. Our plan was to have a Master Masons Degree practice, however we did not have enough Master Masons to have an effective practice.</li> <li>On November 15th was a family night as well as a celebration of Veterans Day. A wonderful meal was served by our Stewards and afterwards we met in the theater for a flag presentation by Bob Wheeless.</li> <li>November 17th there was a Memorial Service for Brother Nick (Big Nick) Maulding. It was attended by five members of Hill City Lodge including Nick Maulding Junior. There was a very nice attendance by family and friends. I did not know Brother Nick, however from what I learned about him, I think we would have been good friends.</li> <li>Hill City Lodge was dark on November 22 so that members could serve meals for The Feast of Sharing. This was one of Hill City Lodges charitable functions for this Masonic year.</li> <li>The scheduled Master Masons Degree for November 29th was changed to a practice, however the was not enough Master Masons in attendance to have a practice.</li> <li>The attendance of Hill City Lodge is falling off compared to years past. This is partly because of loss of members over the years and largely because of the shutdown caused by Covid-19. Whatever the cause, we must address attendance or we will start to fail as a working Lodge. Offer your help and suggestions to turn tjis around. I wish you a happy holidays and ask for your prayers for our Brothers, our Lodge and our Country.</li> <li>Fraternally, Hilton Crocker, P.M.</li> <li>Senior Warden, Hill City 456</li> </ul>

Obituary	<b>Obituary</b> (continued					
<u>Archie W. Scott</u> June 30, 1924—December 9, 2022	Cole; 6 great grandchildren, Sequ					

Brother Archie W. Scott laid down his working tools on Friday, December 9, 2022

Born in San Antonio, Texas June 30, 1924, Archie grew up in the historic town of Schulenburg, Texas. He married his high school sweetheart, Edith, whom he remained married to for 76 years.

Archie went to Schulenburg High School and played football as a Shorthorn. He then received a football scholarship to attend Texas Lutheran College in Seguin. Post WWII, he studied to be an electrical engineer at the University of Texas.

After the invasion of Pearl Harbor, dad joined the Marines in 1942 completing boot camp in San Diego. He was then sent to Communications School at Camp Pendleton in December 1942. While overseas, he made three major landings - Camp Gloucester, Peleliu, and Okinawa. The Peleliu Battle was one of WW II's bloodiest. There were 16,000 men landing on the island and at its conclusion, 6,500 were either wounded or dead. His company was made up of 297 Marines and in less than one month, he was one of only 20 men remaining. Dad was released from active duty in February 1946. Then in 1950, his reserve unit was called to combat in Korea returning home in December 1952.

Besides his wife, the other love of his life was being a Freemason serving the small-town communities around Central Texas. He was a Master Mason (33rd) and an active member of over 30 lodges. Archie also served for over 10 years as the Grand Treasurer at the Masonic Grand Lodge of Texas in Waco. Other bodies of the lodge he was involved with were the Ben Hur Shriners, York Rite, Scottish Rite, and The National Sojourners. As a founding member of Saint Marks Methodist Church in north Austin, Archie had several roles throughout the years and especially enjoyed cooking BBQ for the fundraising events.

Surviving Archie is his wife, Edith; 4 children, Karen, Trey, Eric, and Clifford; 7 grandchildren, Nathan, Vanessa, Derek, Skyler, Audra, Steevi, and Cole; 6 great grandchildren, Sequoia, Aleah, Addison, Viola, Leah, and Henry.

Archie W. Scott was initiated as an Entered Apprentice on November 11, 1952, Passed to the Degree of Fellow Craft on November 10, 1953, and Raised to the Sublime Degree of a Master Mason on December 22, 1953, at Hill City Lodge No. 456 A. F. & A. M. in Austin Texas. Brother Archie was Worshipful Master of eleven different Lodges throughout Texas. P.M. Scott received the Golden Trowel Award, his 65 Year Service Award from the Grand Lodge of Texas and faithfully served Masonry by being a true servant of the craft and a mentor to many men in his Masonic travels.

And so, it has come to pass, a Brother Master Mason having completed all the design's laid down on the Trestleboard of Life, has answered the summons of the Grand Warden of Heaven and Earth and has entered into the Grand Lodge over which the Supreme Grand Master of the Universe presides.

#### Brethren,

We find ourselves again, at the close of another year. A few months back my mother passed away. And with this, came her funeral. Traveling back to my hometown of Garland, Texas was a surreal experience. As things have changed so much over the years. I found myself feeling utterly alone at her funeral service. A stranger in a strange land. Until I noticed, through my grieving eyes, a familiar lapel pin. At the last minute there was a change in who would give the eulogy. And the gentleman selected happened to be a Scottish rite mason wearing his 32nd degree pin. He noticed my ring, and we started talking. He and I traded blue lodge info and various lodge stories. He pulled me aside and gave me a sincere hug and whispered, "So sorry for your loss brother." Suddenly, I didn't feel so lost and alone. I knew that I had an everlasting spring of encouragement and support with my fellow brethren. And that no matter where I may be, my fellow brothers are there as well. Wearing your lapel pins in public has an effect. And the brotherly love shown reveals the type of character, which we strive to achieve as master masons. Small kindnesses everyday add up to a greater world to live in. This is the great work that we should be endeavoring to accomplish as men as Freemasons. And it is the key to understanding the nature of the great architect of the universe. So please, enjoy this holiday season, by spreading brotherly love and joy wherever you are. It's the cement which binds us together as a fraternity and society.

Sincerely and Fraternally, Nate Stilwell, Junior Warden, Hill City 456

## **Masonic Education**

## Ten Master Masons, happy, doing fine;

One listened to a rumor, then there were nine. Nine Master Masons, faithful, never late; One didn't like the "Master," then there were eight. Eight Master Masons, on their way to heaven; One joined to many clubs, then there were seven. Seven Master Masons, life dealt some hard licks; One grew discouraged, then there were six. Six Master Masons, all very much alive; One lost his interest, then there were five. Five Master Masons, wishing there were more; Got into a great dispute, then there were four. Four Master Masons, busy as could be; One didn't like the programs, then there were three. Three Master Masons, was one of them you? One grew tired of all the work, then there were two. Two Master Masons with so much to be done; One said "What's the use," then there was one. One Master Mason, found a brother - true! Brought him to the Lodge, then there were two. Two Master Masons didn't find work a bore; Each brought another, then there were four. Four Master Masons saved their Lodges fate; By showing others kindness, then there were eight. Eight Master Masons, loving their Lodges bright sheen; Talked so much about it, they soon counted sixteen. Sixteen Master to Masons, to their obligations true; Were pleased when their number saw thirty-two. Can't we put our troubles at the Lodges door? It's our fault for harming the Lodge we adore. Don't fuss about the programs or the "Master" in the East; Keep your obligation by serving even the very least.
